

Working together

to provide an **Associate to Bachelor's** degree completion program for you.

Your Associate of Applied Science degree will directly block transfer into two of NAU's Bachelor of Science degree programs: Management or Information Technology. This allows you to complete your bachelor's degree in about half the time.

Your Associate of Applied Science Degree

90 credit hours*

NAU's Bachelor of Science Degree Completion Program

30 general education credit hours
66 major core credit hours

186 credit hours and your Bachelor of Science Degree in Management or Information Technology

Our convenient online format allows you to **work and take classes** at the **same time**.

Ask about our Community College and Technical Training **Scholarship** of up to **\$2000 per year**.
