

Iowa Central College Online is committed to providing its students with the resources necessary to be academic successful. To help achieve this goal we are providing you with some websites that can enhance your learning and study habits. It is recommended that you familiarize yourself with each site's offerings before classes begin.

1. http://www.iowacentralonline.com/online_tutoring.htm

Provides you with online tutoring services for English, math, and science courses.

2. http://www.iowacentralonline.com/library_services.htm

Allows you access to eBooks, online periodicals, and online tutorial services.

3. <http://www.ucc.vt.edu/stdysk/stdyhelp.html>

Offers a study skill checklist as well as information on note taking and time management.

4. <http://www.d.umn.edu/student/loon/acad/strat>

This site provides you helpful information on motivation, planning a weekly schedule, and test taking strategies.

5. <http://studygs.net>

A comprehensive site that offers information on learning, reading, writing, and studying.

6. <http://www.how-to-study.com>

Provides students with information on reading textbooks, remembering information, and test anxiety.

7. <http://owl.english.purdue.edu>

This site provides information on the APA and MLA writing styles as well as handouts on research and grammar.

8. <http://www.bls.gov/oco>

Here will find a wealth of information on employment projections, salaries, and education requirements for occupations in each state.
